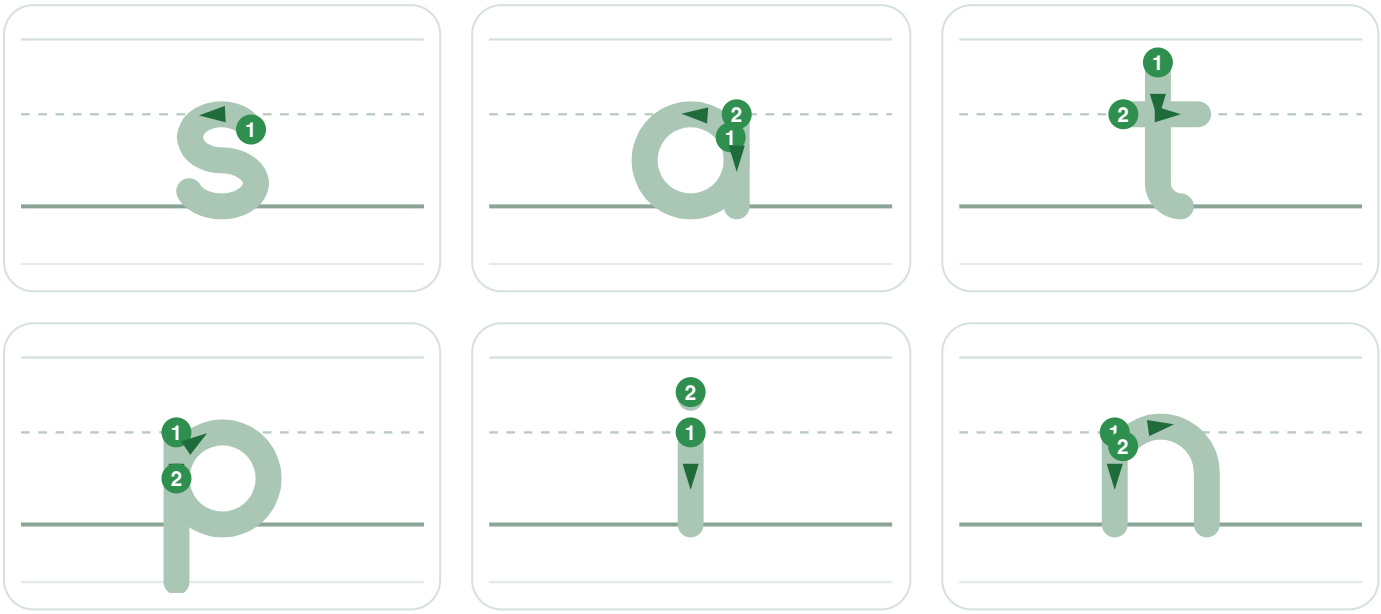
Letters this sheet assumes: s · a · t · p · i · n

Tracing: s a t p i n

Answers

Stroke order: each number shows where a stroke starts.



Cursive model: Playwrite US Trad, a typeface based on traditional US school cursive. If your child's school teaches a different model, follow the school's.

For the adult: As your child traces, ask them to say the letter's sound. A few careful letters are worth more than a full page. Afterwards, look for the letter in a book together.
